## First Ladies of CMT . . . Ambassadors . . . Patrons

Fourth Grader, Home-schooled student, Grace Gilbertson, first appeared in *A Little Princess* 2013 and then again in *Peter Pan* 2014

In 5 weeks many strong friendships were formed, while putting together our amazing 2 hour show. One of my favorite things was seeing how the costumes made the characters come to life. I enjoyed experiencing how the catchy songs and complicated dances we were taught became a wonderful musical that could be enjoyed by the whole family!

~ Grace

Stone has appeared in 4 CMT main-stage productions since 2010.

CMT has not only made a large impact on my summers but also on my everyday life. I have made many friends with cast and crew members every year. This program has made me feel welcomed in this large CMT family. CMT is one of the greatest positive impacts in my life.
